

Weight loss isn't just about changing the way you look.

Start feeling healthy.  
Start feeling good about yourself.

If you are 50 or more pounds overweight and serious about looking at weight loss options, we have the information you need regarding gastric bypass and lap band surgeries as well as other medical procedures to help change your life. Forever. Come to our informational seminar and meet Dr. Frank H. Chae, Chief Bariatric Surgeon at Sky Ridge and head of the National Bariatric Center. Change the way you look at losing weight.

Collectively, our patients have lost over 60,000 pounds. Sky Ridge Medical Center is also pleased to announce we have been named an American Society for Metabolic and Bariatric Surgery (ASMBS) Center of Excellence.
